PROPOSED ENVIRONMENTAL DETERMINATION

San Bernardino County Land Use Services Department, Planning Division has prepared Initial Studies on the environmental effects of the following projects. You may examine the environmental Initial Study by contacting the appropriate County office within 20 days of this notice for review of the proposed environmental determination. Staff may approve some projects 20 days after this notice without further advertisement. Other projects, per State law, are scheduled for hearing before the County Planning Commission, and will be advertised for public hearing separate from this notice.
